The Costs of Higher Education: Ethical and Policy Dimensions

Thursday, October 17, 2019
2:15-3:30pm
Student Center West 466/468
Downtown Atlanta Campus

Deron Boyles

Deron Boyles is Professor of Philosophy of Education in the Department of Educational Policy Studies at Georgia State University. His research interests include corporate influences on schools, American pragmatism, and epistemology. His work has been published in such journals as *Philosophy of Education*, *Social Epistemology*, *Journal of Thought*, *Philosophical Studies in Education*, *Inter-American Journal of Philosophy*, *Educational Foundations*, *Journal of Curriculum Theory*, *History of Education Quarterly*, *Educational Studies* and *Educational Theory*.

Jennifer Lee

Jennifer Lee is higher education policy analyst at GBPI, where she focuses on state policies that provide Georgians greater opportunity to complete a higher education credential across race, ethnicity and family income. Prior to joining GBPI in 2017, she was research associate and director of the Texas Kids Count Project at the Center for Public Policy Priorities in Austin, Texas. She graduated from Wellesley College and holds a master's in public affairs from the Lyndon B. Johnson School of Public Affairs at the University of Texas at Austin.

Richard Lorenc

Richard N. Lorenc is the Executive Vice President of the Foundation for Economic Education, Inc. (FEE) whose vision is to make the ideas of liberty familiar, credible, and compelling to the rising generation. As FEE's Executive Vice President, Lorenc serves as chief of staff, leads creative projects, manages corporate finances, participates in fundraising, and directs outreach and partnerships. Under his leadership, the organization's budget has more than doubled to over \$6 million, and FEE now reaches thousands of students in-person and millions on-line annually.
